Information of effects of the Tohoku Region earthquake (second notice)

We would like to extend our deepest sympathy to those who affected by the Tohoku Region Earthquake. Although there is little that one can say or do to lessen your grief, we would like you to know of the sincere sympathy we feel for you at this time of great sorrow.

This is to inform you that EagleBurgmann Japan Co., Ltd., Sendai Branch reopened for business. It had stopped its operation due to the damage on infrastructures by the earthquake as we informed you on the Information of Effects of Tohoku Region Earthquake. However we were now able to rebuild infrastructures.

Please be noted that we would not be able to deal with business partially due to the transportation condition and fuel shortage for automobiles. We apologize for the inconvenience that we may cause you.
